POSTERS

- 1) A. Cabral, (...); **Di Marcantonio, P.** et al. (2009) Coudé Train Concept Analysis for the VLT ESPRESSO Spectrograph. Poster presented at “An ESO-CAUP workshop on: Towards Other Earths perspectives and limitations in the ELT era”, 19-23 Oct. 2009, Porto, Portugal (<http://www.astro.up.pt/investigacao/conferencias/toe2009/index.php?opt=posters>)
- 2) I. Ermolli, I.; (...); **Di Marcantonio, P.** et al. (2009) EST Data handling and control (2009). Poster presented at “1st EAST - ATST Workshop in Solar Physics: Science with Large Solar Telescopes”, Univ. of Freiburg, Oct. 14-19, 2009 (<http://www.astro-east.org/index.php?id=519>)
- 3) **Morossi, C.**; (...), **Di Marcantonio, P.**; et al. (2009) Kinematics and a-enhancement in the MW: analysis of G-K stars in the spectroscopic DR7-SDSS database. Poster presented at “Workshop on using the [a/Fe] abundance ratio as a tracer of formation and evolution of the Galaxy”, Sept. 28-30, 2009, Beijing, China (<http://galtracer2009.bao.ac.cn/>)
- 4) **Franchini, M.**; (...); **Di Marcantonio, P.** et al. (2009) Searching for a-enhanced stars in the MW: results from the spectroscopic DR7SDSS Database. Poster presented at “Workshop on using the [a/Fe] abundance ratio as a tracer of formation and evolution of the Galaxy”, Sept. 28-30, 2009, Beijing, China (<http://galtracer2009.bao.ac.cn/>)
